SunTronic's GS product line, featuring innovative All-Weather Sunlight Readable LCD technology, provides the highest-quality Sunlight Readable image available in Outdoor Environment. These Rugged Industrial Grade Outdoor displays have the exemplary brightness and resolution you've come to expect from SunTronic. GS technology delivers stunning images for use in applications such as:

- Digital Signage
- Ski Resorts
- Retail/ Restaurants
- Golf Course
- Gas Stations
- Shopping Malls
- Restaurants
- Outdoor Signs

SunTronic's technology has the unprecedented slimmest front bezel for outdoor Video Wall. In addition, Front access features for easy maintenance allows user to gain front access to valuable components, such as air conditioner, heater and LCD controller board inside the sealed enclosures, eliminating the need to remove from the wall.
