

THANK YOU!

Thank you for visiting us at NSAA Ski April 2011. We have a great success in drawing tremendous foot traffic and interests.

Our innovative work combined with the latest technologies to our "GS Series" sunlight readable, vandalism proof and IP65 fully sealed all weather proof for temperature from -40c to 50c digital LCD. We have the completed solutions for out-door usage. Our "GS Series" has been a great excitement to distributors, resellers, and end users from worldwide.
